

Karen Hall

Karen has been a resident of New Mexico for the past 50 years.

Karen retired in 2017 after 41 years as a Construction Loan Officer, providing financing for residential homes and some commercial buildings.

Karen has been involved in volunteer work with several organizations, local, state and national committees and boards.

Karen has been on the board for the New Mexico Ramps Project for one and a half years.

Karen's interests are to assist those who need the support of volunteers and donations to meet their goals and help them become self-sufficient.
